## On-Arrival:

Please park in the main Chichester College Car Park (PO19 1SB) off the roundabout near Tesco  
**NOTE PARKING TICKETS WILL BE REQUIRED ON SUNDAY** - there are a number of Pay-machines if one is not working

## Festival Principles:

The itinerary is planned to maximise the playing time for all players and minimise waiting time. As such:

Games will be 12minutes in one direction - there will be a 3min gap between games - please can teams be ready to start games promptly  
Timing will be managed centrally by a horn - this will signal the start and end of each game

Games will be on a 1/4 of a hockey pitch and there will be goals marked out with a shooting area marked approx 7yds from the goal-line

Please could **first named teams**, provide a match ball for the game  
Please could **second named teams**, in case of a colour clash, wear bibs or alternative shirt colours

**Umpires:** Coaches/Managers: if your team is not playing please can you umpire a game? Thank you for volunteering if there is nobody at a pitch

Would all parents stay to the sides of the full pitch and back from the sidelines - or outside the fence  
Non-playing teams should wait at the ends of their next pitch and be ready to come on - there is only a 1 match wait on the side - **Please no "practicing" at the side of the pitches**

**But most important of all: Have fun!!**
